

Goat Show Feeds Quick Reference Guide

Helping our exhibitors gain the competitive edge through superior feed technology.

Winners are bred . . . Champions are fed.SM

MoorMan's® ShowTec® AminoGain® Goat 81667

Designed to meet the unique nutritional needs of growing and blooming young show goats

- Provides 16% crude protein, 5% fat, 19% fiber, and 25-35 ppm copper
- Incorporates AminoGain technology which complements multiple, high-quality protein sources to match the requirements for lean tissue (muscle) growth and facilitates efficient, fast gain
- Patented cold pelleting feed technology helps capture freshness and nutritional value
- Highly palatable with optimal levels of protein and energy
- Contains CitriStim®, Fire Extinguisher™ R, and a direct fed microbial
- Properly fortified with minerals for optimal growth and includes complexed cobalt, copper, manganese, zinc, and selenium
- Properly fortified with vitamins A, D, E (natural-source vitamin E), and B-complex vitamins
- Fortified with ammonium chloride
- Medicated with Deccox®* (81667MPSP4) or Rumensin®* (81667CAUP4)
- Mini-pellet form for more efficient feeding and better feed intake

MoorMan's ShowTec 17% Goat Breeder 81729

Nutritionally balanced feed for breeding goats used to produce top-quality show goat prospects

- Provides 17% crude protein, 3% fat, and 18% fiber
- Contains CitriStim
- Medicated with Deccox®* (81729MPSE4) or Rumensin®* (81729CAUE4)
- Properly fortified with vitamins (including thiamine) and minerals, including copper and complexed zinc for optimal reproductive performance, hoof integrity, and health
- Mini-pellet form for more efficient feeding and better feed intake

MoorMan's ShowTec Goat Sale Prep 81072

Nutritionally balanced show goat creep feed designed for peak performance and bloom from one week of age to weaning (or to 45 lb)

- Provides 18% crude protein, 5% fat, and 15% fiber
- Contains CitriStim, Prospanse® yeast, direct fed microbial, stabilized rice bran, complexed trace minerals, and natural-source vitamin E
- Medicated with Deccox®* (81072AZNE4) or Rumensin®* (81072CAUE4)
- Feed 3.33 lb per 100-lb body weight daily
- Mini-pellet form for more efficient feeding and better feed intake

MoorMan's ShowTec MoorGrands™ Goat Feed RU 81861CAU

Designed to meet the unique nutritional needs of growing and blooming young show goats

- Provides 15.5% crude protein, 3% fat, 10% fiber, and 10-20 ppm copper
- Incorporates high-quality, highly palatable ingredients in a texturized grain mix to encourage feed consumption
- Optimal levels of protein and energy for efficient gains
- Includes stabilized rice bran for high energy, gamma oryzanol, and Omega 3 fatty acids
- Contains CitriStim, Prospanse yeast, and a direct fed microbial
- Properly fortified with minerals and vitamins A, D, E, and B-complex for optimal growth, structural development, health, and metabolic function
- Fortified with ammonium chloride
- Medicated with Rumensin®* in texturized form (81861CAU84)

MoorMan's ShowTec Shazam™ 82000AAA1M

A free-choice supplement for show goats

- Provides dietary support with key nutrients known to influence hair growth and integrity
- Beneficial vitamins and complexed (organic) trace minerals
- Cell Rate® provides source of nucleotides that may help nourish natural body processes, including hair growth and repair
- Recommended consumption is 1-2 oz/head/day for show goats
- Granular form in 10-kg (22-lb) bag

#1 Mineral Supplement 11159AAA16

A protein fortified mineral supplement for all species of ruminant show livestock.

- Provides 25% crude protein and 1.5% fat
- Properly fortified with Proponse yeast, vitamins, minerals, and multiple sources of protein for optimal growth
- Non-medicated; processed meal form in 25-lb bag (11159AAA16)

Top-dress ratios for goats with #1 Mineral Supplement at a rate of 2 oz/100-lb body weight/head/day with a minimum consumption of 2 oz/head/day.

Natural Fit™ 81526AAAE6

Natural Fit is a high-protein, non-medicated supplement designed to be used with MoorMan's ShowTec complete show goat feeds **to give more muscle and dimension and shape especially over the top.**

- Provides 40% crude protein, 3.5% fat and 14% fiber
- Provides CitriStim and RumeNext®-Beef, direct fed microbial, complexed trace minerals, vitamins (including natural-source vitamin E), and special flavors
- Feed 4-8 oz/head/day to show goats weighing over 50-lb body weight
- Available in mini-pellet form in 25-lb bag

Fast Fuel™ 11850AAAE6

Accelerating Power to WinSM

Unique, non-medicated, top-dress supplement containing nutrients believed to be beneficial to performance of exhibition livestock. **Fast Fuel gives Exhibition Livestock the "Finishing Touch" for a Championship finish.**

- Provides octacosanol from wheat germ
- Thermal Care™ to help animals cope with heat stress
- Contains stabilized rice bran
- Provides natural-source vitamin E, Proponse yeast, methionine, cobalt glucoheptonate, vitamin B12, and thiamine
- Top-dress 4 oz/head/day for show goats
- Available in mini-pellet form in 25-lb bag

Fast Fat 11156AE

A conditioning supplement

Fast Fat can be fed during any phase of the feeding period to achieve desired body condition. Fast Fat is designed to put a smooth finish on livestock and supply energy to the diet of animals being hauled and shown.

- Provides 10% crude protein and 5% fat
- Properly fortified with vitamins and minerals for optimal finish and condition
- Top-dress ratios for thin or stressed livestock with Fast Fat at a rate of 8-16 oz per 100-lb body weight per head daily
- Non-medicated; available in mini-pellet form in 50-lb bag

MoorFlex™ 12298AAA

For more flexibility in motion

- Unique, one-of-a-kind, top-dress supplement
- Contains an ingredient approved for livestock feed that provides a source of natural substances recognized to influence joint health
- Supplies Cell Rate®, a source of nucleotides that may help nourish natural body processes involved in stress, immunity, and production; provides vitamins and complexed zinc
- Top-dress 2-4 oz/head/day for show goats
- Available in meal form in 3.75-lb (60-oz) pouch (12298AAA5E) or 15-lb pail (12298AAA79)

EatMoor™ No. 12346AAA

- Unique, one-of-a-kind top-dress supplement that stimulates appetite, optimizes gut health, and provides nutritional support needed during stress
- Supplies Cell Rate, CitriStim, PremiDex™, Amaferm®, PrimaLac® and other beneficial ingredients
- Top-dress 2-4 oz/head/day for show goats
- Available in meal form in 3.75-lb (60-oz) pouch (12346AAA5E), 12-lb pail (12346AAAPF), and 20-kg (44.1-lb) bag (12346AAAAG)

Cellarator® Turbo

- 3-in-1, fast acting, oral paste that combines the power of Cell Rate with probiotics, electrolytes, and vitamin E
- Helps support performance, helps deter dehydration, and provides nutritional support needed during stress
- 80-cc tube (8279005U) and 300-cc tube (8330005X)

MoorGame™ No. 12383AAAJN

- A top-dress supplement that supports more back shape, more spread, and more flesh
- Provides a wide array of protein sources plus synthetic amino acids, plasma protein, and energy from animal fat
- Available in powder form in 18-lb pail
- Top-dress 2 – 6 oz/head/day for show goats
